

Venture

Student Photo/Video Policy

I understand that Venture staff may capture photographs and videos of school activities involving students during the school year to share the school's positive vibe and updates. By which incidentally, some photographs or videos may capture my child's participation, directly or indirectly. Venture may publish these photos or videos through channels such as the Venture website, social media pages, news bulletins, billboards, ads, etc. I understand that Venture does not generally publish student names with any photos or videos without release consent.
